

# MusiScr[ai]be

Jojo Tamang  
Ariel Yong  
An Nguyen  
Nishith Guda

# Purpose

To promote the possibilities of what music can bring, whether unexperienced or experienced.

# What Is Our Product?

By either uploading an existing sample or recording a sample of your own, a melody is AI generated.

# Other Features

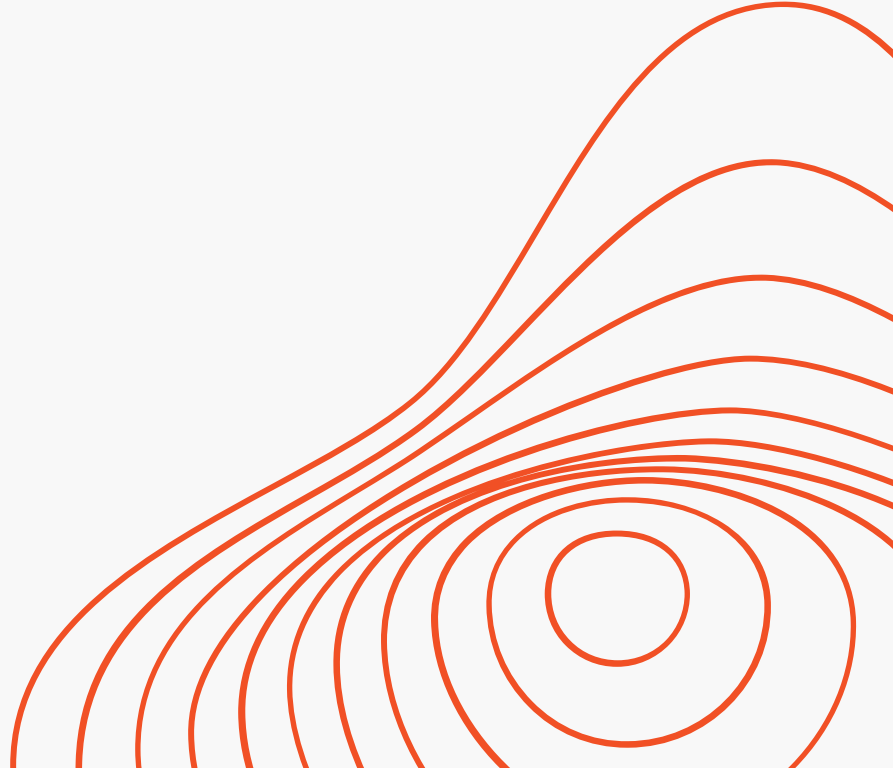

Numerous Ways To Customize The Melody:

- Genre
- Tempo
- Moods
- Length
- Instruments

# Share Your Creation!

**Users will be able to post their melodies to a public space and explore other people's creations.**

# Bring Your Voice To Life

**Thank You!**
